

AT SOME POINT IN OUR LIVES, WE ARE ALL FACED WITH LIFE-CHANGING CIRCUMSTANCES. These are the times when normal comes to a screeching halt, when decisions are not easy, and we know what happens next will have a lasting impact—the storm that “bends our branches,” so to speak.

This is where AWC typically starts our journey with the women we serve. It is never lost on us that the decisions made in our building *Impact Generations*.

With your help, A Woman’s Concern works to grow and strengthen the foundations of the families we serve. Building strong roots for these families through our resources and educational programs means we are making a multi-generational difference in our community.

Your support of our fundraising events is imperative for us to continue to make such a powerful impact. This packet includes information on sponsorship opportunities for our spring event through which you can support our mission and help us to Build Strong Families that Cherish Life.

Please join us on **April 27, 2023, at Calvary Church** for this year’s Annual Partners’ Event, where we will feature **Lawrence Jones**, a Fox News contributor. Lawrence will share some of his personal story which illustrates how the decisions his mother made at a young age shaped and impacted his future. The event will begin promptly at 6:00 PM and includes dinner. It is free to attend; a goodwill offering will be taken during the evening.

Please also take advantage of this great opportunity to share our mission with your friends and family. Your support will ensure we continue to build strong families with deep roots that will flourish for generations to come.
